Calendar Instructions from madewithlovebyhannah.com

1. Print out the first page (with December on it) on cardstock and the rest of the calendar pages on regular paper. If you have Adobe Illustrator, you can open up the first page in that and place your image in before printing it out, otherwise just add your image later by gluing it on.

2.

Trim the January through November calendar pages at the crop marks and stack them in order.

3.

I trimmed 3/8" off of the left and right sides of the December page. Place the stack of calendar pages on top of December and staple at the upper corners...

4.

Add your image! The space on top is just right for a 5"x7" picture. Glue it into place. You could also use a swatch of your favorite fabric or a cute piece of vintage wrapping paper, Anything that tickles your fancy!
